This is in response to the renewed petition under 37 CFR § 1.59(b), filed April 11, 2007, to expunge information from the above identified application. This application has now been allowed.

Petitioner requests that the Declaration under 37 C.F.R. § 1.132 submitted to the Patent Office on November 14, 2006, be expunged from the record. Petitioner states either: (A) that the information contains trade secret material, proprietary material and/or material that is subject to a protective order which has not been made public; or (B) that the information submitted was unintentionally submitted and the failure to obtain its return would cause irreparable harm to the party who submitted the information or to the party in interest on whose behalf the information was submitted, and the information has not otherwise been made public. The petition fee set forth in 37 CFR § 1.17(g) has been paid.

This application is currently allowed. As such the information provided has been reviewed and proceedings in the application are now terminated.
